

## **Crime Figures between 1<sup>st</sup> June 2022 & 30<sup>th</sup> June 2022**

Between the 1<sup>st</sup> of June 2022 and the 30<sup>th</sup> of June 2022, there were 5 incidents reported to Police in Marsworth. Of these 5, 2 of these were of note and a summary of these incidents is as follows:

1. On the 3<sup>rd</sup> of June, a farm building was broken into and various items were stolen. Enquiries are still ongoing for this.
2. On the 4<sup>th</sup> of June, a handbag was stolen from the Red Lion Pub.

### **Parking Issues:**

Parking was de-criminalised some years ago and this now falls under the remit of Buckinghamshire Council. The Police still have the power to enforce “Unnecessary Obstruction” – If a vehicle is **fully** blocking the highway (including the grass verge) or a dropped curb. If you would like to report a parking issue, please follow the link below:

[Report a highways problem | Buckinghamshire Council \(buckscc.gov.uk\)](https://www.buckscc.gov.uk/report-a-highways-problem)

We have seen a slight increase in thefts of Motorhomes again across the Aylesbury Vale and wider areas. We will be doing some Crime Prevention work around this across the area.

We are currently advising residents who own a Motorhome the following:

- Ensure it is locked/secure
- Park it in a well-lit area
- Consider installing CCTV where it is parked
- Park defensively – if you have another vehicle, park it in front of your Motorhome
- If you do not have a tracker on your Motorhome, consider getting one fitted
- Install bollards in front of where it is parked
- Fit a wheel clamp when it is parked up
- Fit a Steering Lock

The Neighbourhood Team will be arranging Have Your Say meetings around the area. Some of these will be planned and some will be “Pop Up” type meetings when they are in the area. We will inform you of any dates of any planned events.

Please let us know of any community events/fetes you have planned on your area and if we are able to attend then we will. We are trying to attend as many as we can as we have not been able to during Covid.
