

Marsworth News report 2024

The newsletter seems to be going well, though without much in the way of feedback or suggestions it is hard to know whether what we do is 'just right' or 'could be better'. Suggestions are always welcome, and contributions from readers especially so.

I have now been the sole manager of the content and layout of the newsletter for some time, though if anyone else would like to have some input that would be very welcome. The aim is to ensure that the newsletter continues to be an important means of communication within the Marsworth community.

With regard to much of the content, I am greatly assisted by items supplied by Caroline Smith, the parish clerk, many from Buckinghamshire Council. I also regularly receive an assortment of small items of local interest from Kate Andrew who collates these for inclusion in the *Bucks Herald*.

Thanks to a regular supply of excellent photographs from readers, and the fact that the covers are printed in colour, it is possible to display these photos on the back page.

A key factor is our small team of proof-readers, especially Elaine Standen, who are invaluable in ensuring that the newsletter maintains its high standard of presentation.

Another important member of the team is Annie Sanden, as Advertising Manager and Treasurer. The newsletter currently has over 20 advertisers; the income generated from these advertisements covers the printing costs.
