24/00767/ALB | Listed building application for replacement of casement window and cill | Bridgeways Watery Lane Marsworth Buckinghamshire HP23 4LY **App 12 Mar. Reply 9 Apr 24. MPC no objection.**

24/00885/APP | Change of use of an existing outbuilding from a garage to a 1-bedroom short-term holiday rental accommodation and external alterations to existing outbuilding | The Old Manor Church Lane Marsworth Buckinghamshire HP23 4LX **App 18 Mar. Reply 13 Apr 24.** Residents have written to MPC to express their concerns. **MPC commented as follows:** Planning permission was originally sought for a garage, but it has never been used as a garage and the owners are now seeking permission to change its use.

Had the original application been made for a new residential property within the conservation area more objections would have been likely and planning permission may have been refused.

A holiday let will have an impact on the Chiltern Beechwoods SAC since it is likely holidaymakers will wish to visit the woods.

We have concerns for egress being over-used in the setting of the listed building in a residential curtilage and conservation area. There are already traffic problems in Church Lane - which is derestricted - due to the narrow road, on-road parking and a higher volume of traffic since the Marsworth Wharf Development. Access to the proposed property is via a narrow private lane.

We would ask that a condition be added, if the application is successful, that there should be no attempts to build further accommodation on this land.
