

## Bucks Council Aylesbury Vale Underpass Art project

Dear resident,

This message is sent on behalf of Bucks council.

We are thrilled to announce the launch of an exciting new project in Aylesbury Vale! We're looking for young people aged 16-21 to participate in a street art project aimed at revitalising the underpasses in Aylesbury Town Centre. This initiative is a part of our ongoing effort to improve public spaces while minimising the need for reactive maintenance.

**Project Overview:** This project offers a fantastic opportunity for young people to engage in a community-driven artistic endeavour. Participants will work alongside professionals to develop their street art skills, while also fostering a sense of pride and ownership in their local environment. The resulting artwork will not only beautify the underpasses but also leave a lasting positive impact on the town.

**Key Details:**

- Project Dates: October 21st - November 4th, 2024
- Location: Aylesbury Vale Underpass
- Who Can Join: Young people aged 16-21
- Lunch: Provided daily for all participants

This project has been made possible through funding from the Aylesbury Community Board, Youth Concern, Planning Growth Sustainability, and other key partners.
