21/10 Planning Matters:

a) Plans for consideration:

21/01520/AOP – Marsworth – Anglers Retreat Ph And 30 Startups End Lower Icknield Way Marsworth Bucks HP23 4LJ
Change of use for Public House to residential use and conversion of public house to two flats with two storey rear extension and single storey side extension and demolition of existing conservatory, demolition of existing outbuildings and erection of 4 houses, change of boundary location with 30 Startups, change of access for 30 Startups and erection of carport for two vehicles and enclosed store, two storey side extension for 30 Startups
MPC to oppose the application on the following planning grounds: 3-storey not in keeping with locality, egress onto Lower Icknield Way unsafe; hasn't first been offered for sale as a public house, lost asset to the community, development not required within the village; pressure on utilities (water pressure/sewage), proposal is over-developed, insufficient parking, design and access issues, doesn't address local and national plans, ignores Vale of Aylesbury local plan, only a short walk along the footpath from Pitstone which doesn't have a local pub, would like to retain the public house and not remove one of the few amenities that Marsworth has, if lost this would be 3 pubs gone within under a decade. Individual Councillors may also make their own personal comments as residents.
