

The Marsworth 100 Club

The Marsworth 100 Club, is a community club set up to help raise funds towards the Marsworth Millennium Hall.

It is open to all Marsworth residents over the age of 18, and is not restricted to any number of entries per household/person. We currently have 180 entries.

It is £20 for the year which starts from September through to the August.

Every month there are five draws of £20, plus in April, August and December there are extra draws of two £100 and two £50 wins.

Notices are put up on the notice boards in the village as well as in the Marsworth news and the new village hall web page, as to when renewal is due, as well as volunteers whom knock on previous entrants doors.

Please note that there is now a new account if you want to set up a Standing Order:

Marsworth social centre, 23-05-80 5713327.

Whether you are new to the village or an existing resident, please do join us. It's a great way to be included in a community organisation that puts back into the village.

If you would like any further information please contact me at hurleys16@icloud.com
